

Dollens Elementary

“Where GREAT things happen!”

August 17, 2018

Kelli L. Terrell, Principal

Dear Dollens Families,

Welcome back to another exciting school year! I am so thankful to have the opportunity to serve as the principal of Dollens Elementary. I am looking forward to another great and successful school year. I loved seeing familiar faces and new faces on the first day of school. I would like to welcome our new families to Dollens and to our returning families, thank you for your dedication to making Dollens great!

Dollens Elementary believes that learning is a team effort that includes students, parents, school staff, and the community. It is our goal to set high academic standards, and to challenge each student to reach their full potential. If you ever have any questions, I encourage you to contact your child’s teacher or please feel free to contact me.

This year we are implementing a new behavior system. Your child has brought home a letter explaining our new behavior expectations. I am pleased to say that I am observing positive behaviors from our students this year.

Sincerely,
Kelli Terrell
